

iQ 30 Cart™

Making life easier.

Sync, charge, store, secure and transport up to 30 iPad®, iPad Air™ or iPad mini™ devices.

 **Efficient syncing.** Using iTunes® on your MacBook®, you can sync up to 30 iPad, iPad Air or iPad mini devices simultaneously.*

 **Go mobile!** The iQ 30 Cart is designed to be mobile, so you can create an instant learning environment in almost any location.

 **Extremely portable.** The iQ 30 Cart is equipped with six removable 5 slot carry baskets. This makes iPad, iPad Air or iPad mini deployments easier.

 **10 year warranty.** PC Locs products are built to last the distance.***

 **More power!** With 2.1 amp power at each port, the iQ 30 Cart is capable of charging up to 30 iPad, iPad Air or iPad mini devices at the same time.**

 **Style meets functionality.** The iQ 30 Cart features a sliding top lid so that devices can be accessed quicker, easier and by more users at once.

 **Secure!** After a day of use, lock the sliding top lid and attach the heavy duty anchor kit for securing the Cart whilst it's not in use.

 **Compatible.** The new carry baskets are designed to accommodate any iPad device with or without cases.

Designed for Apple® iPad, iPad Air and iPad mini devices.

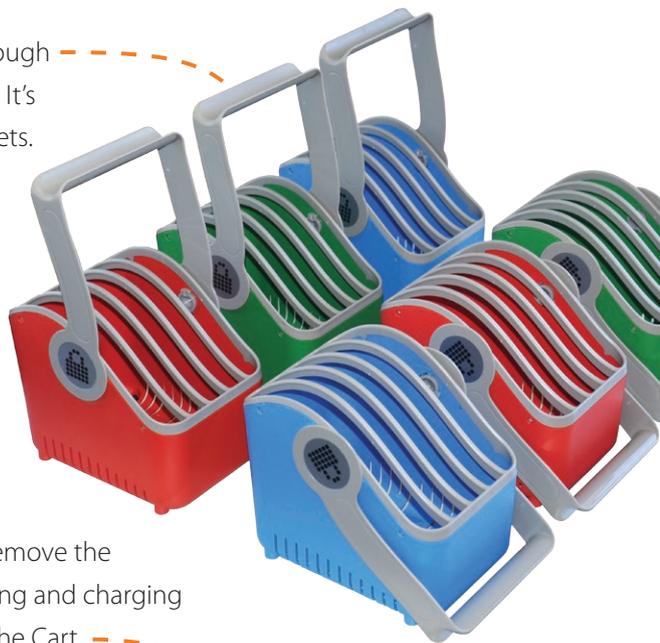

Complete all in one solution.

Designed to go where others can't. Stairs, rough terrain or want to split your set of iPad devices? It's now even easier with the new 5 slot carry baskets.

- Durable and lightweight construction
- Receive six removable carry baskets
- Each carry basket can hold up to 5 devices

iQ 16 Sync Charge Box™. With the ability to remove the iQ Sync Charge Boxes from the iQ 30 Cart, syncing and charging can occur almost anywhere, independently of the Cart.

Lock it down! Worried about the whole iQ 30 Cart going missing?

We've thought of that too... The Cart is equipped with a heavy duty anchor kit so that you can lock the whole Cart down.

Improved cable management. Neater and easier to set up. The iQ 30 Cart features a new centre channel system which holds all the cables in place.

Secure syncing or charging! Two external USB host ports so you can sync your devices whilst being secured in the Cart.

Technical Specifications:

Height: 820 mm
