

Microsoft® Surface™ Pro 2 HDMI, VGA and Gigabit Ethernet Adapter Kit – MDP to HDMI/VGA – USB 3.0 to GbE

StarTech ID: MSTP2MDPUGBK

The MSTP2MDPUGBK Accessory Kit for the Microsoft® Surface™ Pro 2 is an add-on accessory bundle containing three StarTech.com adapter products that let you extend the display and network capabilities of your port-limited tablet.

The kit contains both a Mini DisplayPort to VGA and a Mini DisplayPort to HDMI® adapter, which lets you connect your Microsoft® Surface™ Pro 2 (or similarly configured tablet) to an external display or projector through Mini DisplayPort. Also included is a USB 3.0 to Gigabit Ethernet Adapter which adds wired network support, and offers the added benefit of an integrated USB pass-through port to keep your USB 3.0 port available for other peripherals.

Though extremely portable, tablets often lack the necessary ports to connect to various desktop displays/projectors and wired networks when traveling between boardrooms, home / remote offices, tradeshows, hotels and conference centers. We designed this bundle of tablet accessories to provide the missing connections most commonly desired among mobile users, to prepare you for almost anything.

Package Contents:

- Mini DisplayPort to VGA Adapter (MDP2VGA)
- Mini DisplayPort to HDMI Adapter (MDP2HDMI)
- USB 3.0 to Gigabit Ethernet Network Adapter w/ USB Port (USB31000SPTB)

Backed by a StarTech.com 2-year warranty and free lifetime technical support.
