ELUCHD-02RBLK	2m

Ultra HD 4K Resolution Support

The ALOGIC USB-C to HDMI Cable connects a USB-C (Display Port Alt. Mode)/Thunderbolt 3 enabled computer to a HDMI enabled monitor. The cable features the reversible USB-C connector, so it doesn't matter which way you plug it in, the cable will always connect.

- Reversible USB-C Connector
- Eliminates use of adapters and dongles
- Supports maximum resolution of up to Ultra HD 4K
