

Lenovo 500e Yoga Chromebook Gen 4

Smarter
technology
for all

Lenovo

Powered by Intel N-Series processor, this lightweight, 360-degree convertible device is purpose-built with the versatility to help professionals annotate documents and collaborate easily. It comes with up to 12 hours of battery life enabling users to work from anywhere without any hassle. Plus, dual USB 3.2 Gen1, USB-C 3.2 Gen2, HDMI, and a 3.5-mm headphone or microphone combo jack allow users to connect to peripherals or plug-in headphones for listening to meetings on the go.

LENOVO DEVICES THAT ARE A
CLASS APART

Purpose-built for modern education. Robust, secure, and easy to manage, our laptops offer versatile performance and collaboration tools to support teachers and students in the classroom or at home.

REASONS TO BUY

The 12.2" multi-touch glossy display provides a rich visual experience enabling professionals to scroll through spreadsheets, detailed documents, or presentations with a fingertip. Additionally, with an optional Lenovo Integrated Pen, navigate through data easily.

Configured with up to 128GB SSD storage and up to 8GB LPDDR5 memory, this device lets users multitask and ensures faster retrieval of detailed datasheets.
