

## HP 951XL High Yield Yellow Original Ink Cartridge (CN048AA)

Active as of 1/11/2011

### Overview

Print professional color page after page, and save compared with laser printers. Bring documents and marketing materials to life with outstanding color vibrancy for a low cost per page, and easily recycle your cartridges.

#### **Ensure dependable, high-quality results with every print. Use Original HP inks and impressive reliability features for worry-free consistency page after page.**

Count on HP to deliver exceptional technology that produces consistent results and uncompromised performance with every print. HP printers, inks and papers are designed and tested together for best results.

Earn rewards when you purchase and install Original HP ink cartridges.<sup>1</sup> Count on quality and reliability, plus your choice of exclusive offers and thank-you gifts from HP Rewards.<sup>1</sup>

Print consistently high-quality pages even when ink is low. Your printer will be alerted when an ink cartridge is at a critical level, and HP smart technologies can help ensure you don't run out of ink mid-page—maintaining quality until the last drop.

#### **Make a strong impression with professional color documents and outstanding color vibrancy. Your documents and marketing materials will stand up to highlighter pens and water, and resist fading over time.**<sup>2 3</sup>

Impress with professional-quality business documents featuring brilliant, vivid color. Get outstanding color vibrancy using pigment inks designed for the office.

Produce water- and fade-resistant documents that maintain color quality for decades, using pigment-based HP Officejet inks.<sup>2 3</sup> Print, handle and store important papers confidently.

Improve document quality, using papers with the ColorLok® logo. Colors are brighter for rich, vivid images and graphics. Documents dry faster for more immediate handling. ColorLok papers enhance recyclability.

#### **Print professional color for up to 50% lower cost per page compared with laser.<sup>5</sup> Get a better value with high-capacity, individually replaceable cartridges. Save when you print marketing materials at the office.**

Print professional color documents for up to 50% lower cost per page than laser, using HP Officejet inks.<sup>5</sup> Print consistent, vivid color output that makes a professional impression.

Print affordably with individual ink cartridges—replace each cartridge separately, as needed. Plus, produce up to twice as many black and color printed pages when you choose high-capacity print cartridges, so you get a better value for frequent printing.<sup>4</sup>

Create professional-quality marketing materials, and save time and money by printing your materials in your office. Avoid the inconvenience and expense of producing your documents at retail print and copy stores.

#### **Print with cartridges that are designed to conserve resources. HP can help you manage your environmental impact—from reduced packaging to easy recycling. Even get high-capacity cartridges that use fewer materials per printed page.**

Print with the environment in mind—these ink cartridges are shipped with streamlined packaging designed to use fewer materials. Less weight and bulk also means more can be shipped in each load.

Get free and easy recycling—cartridges returned through HP Planet Partners are recycled responsibly.<sup>6</sup> HP never refills, resells or sends ink cartridges to a landfill.

Rely on ink cartridges that help you print responsibly. Original HP high-capacity ink cartridges are designed with the environment in mind—using fewer cartridge and packaging materials per printed page than standard cartridges.
