

Sphero Charging Case™

Designed to charge,
store, secure & carry 6
Sphero SPRK+ Robots.

Efficient Charging. Easily mount your inductive charging bases into the Sphero Charging Case to start charging 6 Robots simultaneously.

Accessory Storage. There is enough room for accessories such as Sphero SPRK+ Robot cases, maze tape and protractor.

Secure. No more lost charging bases! A strong aluminium case and keyed lock secures your Sphero SPRK+ robots and accessories when they're not in use.

Easy to Transport. The compact and light frame coupled with the carry straps makes transportation safe and easy.

Innovative Design. Easily see all 6 Sphero SPRK+ Robots during charging and while they're locked away.

Lifetime Warranty. PC Locs products are built to last.

PRE-RELEASE INFORMATION

It just makes life easier.

Innovative design to transport and charge your Sphero Edu SPRK+ robots.

No matter how big or small your Sphero Edu program is, the Sphero SPRK+ Charging Case can help you charge, store, secure and carry Sphero Edu SPRK+ robots quickly and easily. The Sphero SPRK+ Charging Case accommodates up to six Sphero Edu SPRK+ robots, their inductive charging bases as well as maze tape and protractors in a compact and neat hand-held Case.

Efficient charging. Using the inductive charging bases included with your Sphero Edu SPRK+ robots you can simultaneously charge six robots assuring they're always ready to use.

Innovative design. Easily see that all six Sphero Edu SPRK+ robots are in their place with the open architecture design.

Easy to transport. Transport six Sphero Edu SPRK+ robots anywhere they need to go in this lightweight, compact Sphero Charging Case.

Accessory storage. There is an additional storage compartment for storing all your accessories in one neat and secure location.

Lifetime warranty. We know that schools can be tough on equipment which is why PC Locs products are built to last with a lifetime warranty!¹
