Longer run time using a rechargeable Li-ion battery included in the box.

Compact and portable design
Built to fit into any home or office environment.

Connect to PC or Mac
Connect via USB and access Brother's P-touch Editor software to create detailed label designs.

Brother TZe laminated labels - designed to last

Brother P-touch laminated TZe tapes consist of seven layers of materials, resulting in a thin yet extremely strong label. The thermal transfer ink is sandwiched between two protective layers of PET (polyester film), which protects the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.

Laminated

Temperature Resistant

Water Resistant

Fade Resistant

Abrasion Resistant

Chemical Resistant

Easy Peel

Strong Adhesion

P-touch Design&Print2 App

Tested to work with Android* and Apple iOS*, the Design&Print2 app allows customisation and selection of fonts, designs and material to suit your preferences. The app can even display the actual text and background colour in print preview mode!

*Operating systems: Android (4.4 or newer) and Apple iOS (iOS10)

Expand your creativity with a great range of tapes

With a great range of different tapes to choose from the possibilities are endless. Create stylish ribbon, decorative and laminated durable tapes that will add extra flair to your home or office.

Premium Tape Range

Add some shine to your organisation with three new premium tapes providing a glittery alternative.

Ribbon Tape Range

Select from four choices of premium quality, beautiful satin ribbons. The gold characters on the ribbons are printed using thermal (heat transfer) technology meaning they do not fade or fall off, and can be integrated into clothing.

Decorative Pattern Tape Range

Add a personal touch with the durable and unique pattern tapes. With four options to choose from, your gifts will stand out from the rest.
